

The Ambler House Health and Wellness Center

THE AMBLER HOUSE HEALTH AND WELLNESS CENTER, open to all regularly enrolled students, is staffed by a registered nurse who maintains regular hours for consultation and treatment. A healthcare professional (doctor, physician's assistant, or nurse practitioner) is available five days a week and is available for walk-in appointments from 12:30–3:30 p.m. Monday through Friday. Students may be referred to other professionals for specialized care and/or follow-up. Medical attention is also available at the Hillsdale Hospital in the city of Hillsdale.

Counseling services are also offered as a part of the Health and Wellness Services for various mental health and substance abuse concerns. These services are by appointment (call Health and Wellness Center for information) and are provided free of charge for students.
