The student may arrange credit for art-intensive work experience in an organization such as an art museum, art gallery or publication office. The student applying for the internship must already have completed collegiate art coursework providing prerequisite skills appropriate to the work experience (e.g. having completed ART 361, Photography, if applying to work as a photojournalist for a newspaper). The student must see the Art Department chairman for details on the application process. At the end of the internship period, the student and the student's work supervisor should submit a report to the Art Department chairman, who will be responsible for determining the final grade.
